New Pantry Item

This section will hold all data regarding:

- What food is being entered?
- How much of this food is being entered?
  - Pounds, ounces, grams, cups, gallons...
- How much is one serving? (in the above measurement)
- What's the given out of date label?
- Retrieve the date labels from FoodKeeper
- Place for notes
- Ability to add multiple items at once
- Save date purchased

My Foods

- Pantry
- Fridge
- Freezer

My Lists

- Frequently Purchased
- Expiring Soon
- In Need Of
- + New list

My Recipes

- Ready to Eat
- Saved Recipes
- Meal Generation
- + New recipe

- "Add New Groceries" goes away when anything else is selected
- Use this space to list data on groceries receives in each section as they are highlighted.
- If "My Foods" is selected, the menu will auto open under it to show the submenu.
- Same goes for "My Lists" and "My Recipes"
- For "My Lists" this panel would show the list data and the ability to add new lists.
- Same for "My Recipes"
